

Youth Take First Mission Trip Of The Summer

Kelly Weinberger, Next Generation Minister

Thursday, June 9, our youth team had their first mission trip. We gathered at the church and walked to the Johnson County Food Center. Our tasks were to sort carrots and dog and cat food for the served population here in Johnson County. We then walked to Country Club Care Center to visit and pray with the residents. Each resident (who wanted one) received an Upper Room devotion to read daily. Last stop was Juanito's for lunch, we were a little tired to walk back, we had to call the church to see if someone could come and pick us up. When we arrived at the church we debriefed and sent thank you notes to those we visited.

Seven Attend 2022 Annual Conference

UMCburg was well represented at Annual Conference. Attending were (front) Kim Blackburn, Kelly Weinberger, Vada Postlethwait, Susan Smith; (back) Bob Muir, Peter Norton, Jana Miller. While there, the sessions focused on the conference's theme, "Greater Things: Spirit-led Innovation." Making disciples means "allowing the holy spirit to lead us as we discern innovative paths for the future of the ministries to which we are called."

June Disciple Gift: Heifer International

One of the several options for gift donations to Heifer International is a bee package, hive, box and training in beekeeping techniques. When you buy bees for a family in need, your gift:

- Increases the global honeybee population to support the environment
- Boosts income through sales of honey, wax and pollen
- Stimulates growth of the family's crops through pollination

Sometimes it's the smallest gifts that make the largest impact. Healthy beehives can double fruit and vegetable yields of small farms. A honeybee donation turns a family's struggle into a lifetime of opportunity.

Giving To God's Work

Estate Planning. It's said that basic estate planning is not expensive – not planning is very expensive! The basic planning tool of your estate is a will. Importantly, this legal document:

- directs how your property and assets are to be disposed of at your death
- should be dated, witnessed and signed by you according to the formalities of Missouri law.
- in Missouri, is the ONLY document in which you can designate a guardian and/or conservator for dependents
- preserves the integrity of your wishes, avoiding probate and the State deciding the division of your assets and/or the placement of your dependents

An effective Estate Plan is a practical tool that ensures:

- the people and entities you care about receive your assets
- your property is distributed in the way you intend
- expense, inconvenience and heartache are minimized
- taxes are minimized
- your gifts to the church and charity are honored

Maintenance on the Move

Chuck Linville, Facilities Manager

Two weeks ago, I completed stripping and waxing the kitchen floor. Did you know that our kitchen is a full-sized commercial kitchen? We have everything you need to bring on a full-on feast. Just remember to invite me. I like feasting.

Over the next few weeks, I will be working on the basement floors at the Rock. Maintenance on the move. It's a beautiful thing.
